

Tring Businessmart

A smarter way of networking together

Business Networking Breakfast

Venue: The Akeman, 9 Akeman Street, Tring, HP23 6AA

Date: Thursday 9th July

Time: 07.30am-09.30am

Join us for our next Business Networking Breakfast, this is a great opportunity for local business people to meet, discuss business activities and local issues.

The event is kindly sponsored by The Akeman and a continental breakfast will be provided. The £5 charge per person will be donated to Tring Together and go towards community projects.

Our guest speaker will be Jeoff Colls from Connect Dacorum. Jeoff will be talking about Corporate Social Responsibility and sharing local examples of how it works, irrespective of the size of business.

At our last meeting we asked for your feedback and views on networking. These have been collated and we will be presenting a summary of them to you, and will have a brief discussion as to the conclusions.

Networking is an effective way of generating new business leads, raising your companies profile and promoting your services and products. Make sure you bring plenty of business cards and any literature you may wish to display.

Feel free to bring a colleague/associate with you and please confirm your attendance with Jane Randrup on 01442 828920 or email tringtogether@hotmail.co.uk. £5 is payable on the day.

Tring Businessmart - an initiative of Tring Together to create better business opportunities for Tring businesses
In association with Tring Chamber of Commerce, Tring Tomorrow and Tring Learning Centre
