

Business Networking Breakfast

Venue: Pendley Manor Hotel, Tring, HP23 5QY

Date: Thursday 25th February 2010

Time: 07.30am-09.30am

Join us for our fourth Business Networking Event which will be a great opportunity for local business people to meet, discuss business activities and debate local issues. We will be further developing the networking techniques that work for us and we will also be talking about the 2010 strategy for Businessmart and what Businessmart can offer your business.

Our guest speaker will be Jamie Thorpe from Grass Roots Group PLC who will pose the question: "Great service - what's it all about?" Jamie will talk about how Grass Roots supports companies like Asda to improve their customer service and will leave you with some hot tips on how to keep customers coming back for more.

The event is kindly sponsored by Pendley Manor Hotel and a warming winter breakfast will be provided. The £5 charge per person will be donated to Tring Together and go towards community projects.

Networking is an effective way of generating new business leads, raising your companies profile and promoting your services and products. Make sure you bring plenty of business cards and any literature you may wish to display. There will also be an opportunity to look around some of the newly restored rooms of Pendley Manor Hotel.

Please confirm your attendance with Jane Randrup by 23rd February: tel 01442 828920, email tringtogether@hotmail.co.uk. £5 is payable on the day.

Tring Businessmart - an initiative of Tring Together to create better business opportunities for Tring businesses
In association with Tring Chamber of Commerce, Tring Tomorrow and Tring Learning Centre
