

Small Grants Scheme

Tring Together has established a Small Grants Scheme in order to support community based projects that aim to improve Tring and its hinterland.

Applications for grant assistance are invited from Community Organisations towards projects that will be completed during the 2007/8 financial year (i.e before 31st March 2008). The completed application form should be returned to:

Tring Together, 10 High Street, Tring, HP23 5AH

Grant applications will be determined as soon as possible and applicants will receive written notification of the outcome of their application. Please note that small grants are restricted to community groups or other organisations undertaking bona fide community projects within the Tring area, not for profit or in commercial competition.
